posed in his report No. 148 (sent herewith)

No 15 of 1897

Camp Kod

20th January 1897

Dewan Savanur requested to report whether in Savanur state the village officers are paid potgi from the treasury the amount being collected as judi on their watans - as in British territory or not. It seems that in some cases this is ~~done~~, while in others the officiators are paid no potgi but have to remunerate themselves as best they can.

On receipt of the report steps will be taken to remedy this apparent anomaly. for at present, watandars as far as possible avoid service and regard the right of service as

a burden and not as a
privilege as is the case in
British territory:

Savanur 16th of Feb 1897

Sir,

With reference to your No 15 dated
20th January 1897 I have the honour of reporting
that the Kulkarnes of Jekinkatti, Yekkitkop
and Savanur Pagates (Bazars); and Savanur
Police Patil, Patil of Yekkitkop and Shetti of
Savanur Bazars are all amanees. (Stipendiaries)
Their pay is disbursed from the treasury every month.

The patils and Kulkarnies of other villages are all watandars. They are paid no potaji from the treasury, but serve by enjoying the profits of watan lands for which they pay only mamul judi. Whenever representative watandars nominate deputies to officiate for them, the deputies are remunerated by their nominators.

With a view to introduce the system of paying potaji to the watandar village officers also, Seale judi patrakas were prepared and in 1879/80 orders were issued to the village officers to collect judi accordingly. But the watandars appealed against the orders to the Commissioner, S. D., who decided in his No 63 dated 24th April 1882 that: —

(a) No Seale judi should be imposed on the watans.

(b) No potaji should be paid to the watandar

village officers.

(c) The wālandars should not take Aya (perquisites) from rayāls &c.

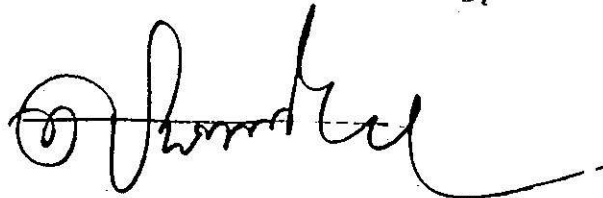

The vernacular papers relating to the subject are submitted herewith for favour of perusal.

I further beg to bring to your kind notice that on 5th November 1890, my predecessor R. B. Gurnaras Krishna Divan again proposed in his report No 148 (Sent herewith) to the late Nawab that on the grounds stated by him, wālandar Pāhils & Kharass should be paid potaji the amount being collected as judi on their watans. But, as the matter remained undisposed of until the death of the Nawab, the Political Agent ordered on 18-10-92 that no further steps were to be taken in the matter

matter as it had once been previously decided.

I have the honour of being,
Sir,

your most obedient servant

Divan of Savanur.

Accordingly to the order of Asst. P. O. Byant. The Patil of Holanahalli Shankraya bin Kotraya has been dismissed from the state services. Shrinivas Parasaram Kulkarni of Holanahalli & Kasinath Gururao Kulkarni of Torur have been suspended for 6 months.

Gururao Pandurang Kulkarni of Huhkatti has been temporarily appointed as Patil & Kulkarni of Holanahalli. Raghavendra Charya Kulkarni of Maalkeri has been temporarily appointed as Kulkarni

of Torur. Mulikatti is one mile from Torur & Mulkeri
 is very near to Torur. For want of new hand Gururao
 has been appointed both as Patil & Mulikatti of Hotanahalli.
 Report to appoint another man to Hotanahalli will
 shortly be made.

In accordance with the last para Kashinath
 Gururao has been informed that if he does not stay
 at Torur steps will be taken to appoint another man
 in his place.

not seem desirable to ^{prosecute them} ~~bring them to justice~~. They
have already been suspended for six months and
this seems to be sufficient punishment for
their failure to give information on the subject.

3 The evidence obtainable against ^{the late Patel} Chaukraya has
been detailed in the chief constable's report & it
appears sufficient to ~~prove~~ prove his guilt - under sec.
176 I.P.C. The said Chaukraya is not a wantandar and
on his dismissal, a fit nominee ^{on behalf} of the wantandar patil
has been appointed for Holamballi. If the punishment
of dismissal already awarded be, in the opinion of the
a. p. agent, inadequate for intentional omission to
give information on the subject, orders may be kindly
issued to proceed accordingly & the co-s. would proceed
against Chaukraya according to law.

This matter was at last

1.
that the petitioner should be paid

~~that~~ be seen from the course

ending with this office Ver. No 127

dated today that the present

village officers of Wadi Kop

that the body of the watan-dars

are too poor to pay the

amount at once. On receipt

of the orders in the last reference

the necessary orders will be

issued to the village officers, but

it will ^{soon} be not possible to recover.

the whole or part of the pots ~~that~~

4. It will be seen that the
complaints of the petitioner against the

present village officers of Watson

petty is groundless & that
his petition is ~~merely~~
simply vexatious.

4) The Collector's no. 5618 —
dated 20-July 1905.

Herewith, copy of the
marginally noted Cor.
respondence and with
reference to Govern-
ment letter no. 158 of
dated the 9th March 05
to report that I am

of opinion that the enforcement of the
Schedule proposed by Government is likely
to cause great discontent among the
wataandors in possession of the watan
lands by depriving them of the greater
part of their profits for the benefit
of the officiators. Moreover the majority
of the villages, are very small containing
less than 500 inhabitants in some cases
less than 200 or even 100. The collections
of revenue too are in many cases small.
A uniform remuneration of Rs 120/-

would be too much in the majority of cases.

I am, therefore, of opinion that the same scheme should be introduced as may be found suitable in British Territory.

Mr. Gibb & McNeill have both recommended that the Wingate scale should be introduced and excess judiciously proportionately on all the Watans to provide the necessary amount, but no more.

But as proposals are now under consideration to increase the Patils' emoluments above the Wingate Scale in British territory, I think that the same rates as may be decided upon there should be enforced in Savonar.

2. The statement of scale remuneration received with Government letter no 2753 of 2 May 1905 is herewith enclosed.
